United States District Court for the Eastern District of Pennsylvania**

Counsel:

Following the assignment of the Honorable Michael M. Baylson to preside over the case, I am writing to disclose that I and my firm have personally represented both Judge Baylson and his wife. I have also known and enjoyed a friendship with Judge Baylson since I was a child. Both he and his wife have been guests in my home on various occasions, and I and my wife have been guests in their home on various occasions as well.

Very truly yours,
